

# TOP REASONS WHY

- 1 Product Design & Reliability**  
Cargo King's decades of trailer design and building experience are the difference between a good product and a great product.
- 2 Support After Purchase**  
We value the relationships we have with our customers and will stand behind you with an excellent warranty and solid service!
- 3 Confidence & Peace of Mind**  
Here at Cargo King our focus is on safety and long-term satisfaction to our customers.
- 4 Quality Components**  
We use high grade components and have invested in quality construction practices that exceed other brands on the market. Our long-term partnerships with experienced vendors add safety, value, and quality to each and every unit we build.
- 5 Superior Craftsmanship**  
Let Cargo King's more than 25 years of experience be your trusted manufacturer for your next cargo or custom race trailer.
